

HaleChannel is proud to be an award-winning leader in the wedding photography field. Brian has documented hundreds of weddings since the late-1990's by creating stunning visual imagery of his client's life-changing moments. He is devoted to making images that are memorable and tell the beautiful story of your wedding day and the people who surround you in your life. His work is timeless, creative and polished.

Brian has the experience, enthusiasm and creative ability that promise to surpass all of your expectations. He can coordinate props, styling and lighting to create beautiful images. In his studio or on location, his clients count on him to be innovative and get the job done right. His shining wedding reviews can be found at TheKnot.com and WeddingWire.com.

Have Brian put his talents to work for you.
